

2017-2018/2019-2020 Legislative Sessions Lobbyist Ethics Course Requirement

California Government Code Section 86103 requires that lobbyists attend an ethics course once during each 2-year legislative session and certify the completion date with the Secretary of State, Political Reform Division as a condition of registration to lobby in California. The Senate Committee on Legislative Ethics and the Assembly Legislative Ethics Committee jointly conduct these courses.

KNOW YOUR ETHICS DEADLINES: It is the responsibility of each lobbyist to obtain the course schedule, to sign up for and attend the course as required, and certify the ethics completion date with the office of the Secretary of State's Political Reform Division by the specified compliance deadline (see Form 604 instructions for filing requirements and compliance deadlines).

Seating is limited on all course dates. To secure a reservation at an ethics course, submit a completed sign-up form accompanied with a \$50 check or money order payable to **JOINT ETHICS COMMITTEE**. Your completed sign-up form and course fee must be received in the Senate Ethics Committee office before the sign-up deadline (see sign-up form) and/or before our seating limit is reached. Spaces are reserved in the order that sign-up forms are received in the office of the Senate Committee on Legislative Ethics at 1020 N Street, Room 554, Sacramento, CA 95814. Early sign-up is recommended for each course. **You will not receive a confirmation upon receipt of your sign-up form. Please email Stacey.medlock@sen.ca.gov to confirm receipt. Committee Staff will contact you if the course you have selected is at capacity.**

There is no provision for waiver of the ethics course requirement or for extension of the ethics completion deadline; nor is there a provision for an extension of a lobbyist's deadline to certify his/her ethics completion date by filing the required amended Form 604 (Lobbyist Certification Statement) with the office of the Secretary of State (see Form 604 instructions page). Non-filers are referred to the Fair Political Practices Commission for non-compliance.

MCLE CREDIT: The Assembly Legislative Ethics Committee and the Senate Committee on Legislative Ethics are State Bar of California MCLE approved providers. This activity is approved for 1.5 hours MCLE credit, but no MCLE credit will be offered on the following subjects: (1) Legal Ethics; (2) Elimination of Bias; or (3) Competence Issues. Appropriate forms will be available at the course for attorneys who seek MCLE credit.

CHECKS RETURNED UNPAID: A \$20 fee will be charged for any check returned unpaid and the related ethics course certification suspended until the course fee and \$20 returned check charge are received in the Ethics Committee office (payment by money order or certified check).
